You can compare plan prices at <https://www.comparatel.fr/les-operateurs.html>. The main companies are Free, SFR, Orange, Bouygues.

To have a fixed plan you need to have a bank account first. You can ask for these plans via Internet (SIM chip delivered by mail) or in the company's store. Look for plans "**sans engagement**" (easier to cancel when you leave).

There are also prepaid plans, no need for a bank account, but the prices are higher.

Maisel

At your arrival, you can get the **Bedding kit**, for €20 (payed in the Maisel's next bill). This includes blankets, pillows and sheets.

Get comfortable, open your room, connect your fridge and unload your baggage.

Be careful not to loose your room keys. To open the building doors use the white Maisel card over the grey sensors next to the door. Inform the Maisel if you lose any of these.

Show yourself to the Maisel office to do the payment and registration. Wait for the document "**Attestation d'hébergement**" after registration process in order to apply for a bank account, mobile phone and CAF.

Internet

The Internet Network at the Maisel is managed by the association Minet.

There is a registration fee that can be by the year/month/week. Bring your device to the Minet Office (at the Foyer), from 18:00 to 19:30, to have it configured and off you go! If you have any doubt or problem with your computer or phone, Minet will gladly help you to fix it. Feel free to show up by their office if you have any doubt

Cooking and washing

Every Maisel building has a common kitchen in the basement. **Please take care of this common space, we all use it.** There is no common fridge, you have your own in your room.

There is a laundry in the U4 basement. Washing clothes is €3, soap included. Drying is free!

CAF

The CAF is a public French financial aid for housing. You might be eligible to benefit from it, go to the Maisel office once you have completed the registration and have a bank account. Further details can be found at www.caf.fr.

Banks

Once you have completed the Maisel procedures, you will have the lodging contract « **Attestation d'hébergement** ». With this document and a copy of your passport, you can open a bank account. Welcom' recommends you **Société Generale**, as they will give you the bank RIB details and credit card faster. Welcom' will provide you the bank's representative details and contact to open the account.

Feel free to ask us if you have any doubt about the banking system in France.
